

**Directions:**

1. For each factor, explain the factor in your own words in the details column (you can use bullets if it is your notes)
2. Rank each factor in the rank column. 1 = most important cause - if this wasn't there, Rome would not have fallen. 7 = least important cause.
3. Make sure you can EXPLAIN why you ranked each as you did in the reason column.

RANK <i>Group</i> Ind	REASON <i>Explain</i>	FACTOR	DETAILS <i>Explain the Factor</i>
/		Rise of military power	
		Political Instability	
		Shrinking trade	
		Political Corruption	
		Economic Instability	
		Attacks	
		Invasions
